

# A Thriving Residential Community for Seniors

Turtle Creek and Turtle Woods, founded by First Baptist Church in Beverly in 1983 and 1996 respectively, form an affordable living community for 200 low and moderate-income seniors. Located in a country setting with transportation access to neighboring towns, residents enjoy one or two bedroom apartments with modern amenities, inviting community spaces, and a wide variety of recreational activities. Mobility adapted units and home health care are also available, assuring residents receive the personalized services they need while maintaining maximum independence.

## Life at Turtle Creek / Turtle Woods

“We’re not required to pay electric or heating bills, which makes a big difference when your income is cut. Moving here is the best thing I ever did. I’ve made wonderful friendships. It’s the kind of place where everyone checks on you if you’re not feeling well. We may all have our own families, but this is a family too.”

– Barbara Yescalis, 6-year resident of Turtle Woods

“My husband retired and we could no longer afford housing in the area, so we’re very glad to be here. I’m on the social committee, which plans all sorts of activities and events. It’s such a very friendly, warm environment.”

– Sandra Tanzella, 9-year resident of Turtle Creek

“After my husband passed away, I had trouble paying my bills. When I said I was thinking of moving to Turtle Creek, my children thought it was the best thing in the world, so I moved in, and I couldn’t be happier. It’s given me a whole new life. Turtle Creek saved me. It’s the best!”

– Barbara Checchi, 3-year resident of Turtle Creek

“I have the most wonderful friends at Turtle Woods. It’s a wonderful place with wonderful people!

– Rose Callahan, 5-year resident of Turtle Woods
